A Little About David and Katy...

David and Katy have been serving with TeachBeyond for four years. Katy serves with Beyond Borders, which is a department of TeachBeyond that focuses specifically on providing education to forcibly displaced and marginalized peoples. She is a part of the educational programs team and develops curriculum and training, which are being implemented predominantly in refugee camps and slum communities in Greece, Ethiopia, and Niger. David helps out part time with the development of resources. If you'd like to learn more about joining our support team or volunteering at one of our educational programs, please contact us! We're thankful to be a part of this church community!
